Mike,

I tweaked the discussion in section IV.A. Mostly I focused on being clear that we are proposing

Ex. 5 - Attorney Client

Rick

Richard H. Vetter

Richard H. Vetter

Attorney Advisor

Air & Radiation Law Office

Office of General Counsel

Hi guys. Have made some changes in the Sharepoint version, mostly in section IV.B. I feel like there's a lot of overlap with other sections and will keep looking at this, but if you could take a quick look and see if it seems like this is in the right direction I'd

appreciate it. (Doc titled [SAN 5872 UO FIP Draft NPR CLEAN for OMB 8-22-16](#), link

INTERNAL-DELIBERATIVE – DO NOT RELEASE

Hi Chebryll –

Yesterday afternoon I participated in a call with OMB on their concerns re: the Region 8 Uintah Basin FIP. Participants included: OMB, OGC, HEID, and R8 air staff and ORC.

OMB had several legal and other concerns that they presented. The three most significant were:

Ex. 5 - Deliberative Process
